

Biology Battle appraised as the “MVP of Thai Games” in Thailand Game Show 2009

(January 12, 2009)

Thailand Game Show 2009 was successfully held in Bangkok’s Queen Sirikit National Convention Center from January 9-11, 2009 with a total of 64,751 visitors.

Novaleaf Game Studio’s Biology Battle received enormous praise from visitors and the Thai press. “The Manager” – the most popular Thai news website; wrote “...*Biology Battle is the MVP of the games developed in Thailand in Thailand Game Show 2009...*”

(Visit <http://www.manager.co.th/Game/ViewNews.aspx?NewsID=952000002175> to read the full content in Thai)

Teenagers lined up to try Biology Battle

Biology Battle is fun for everyone! Here enjoyed by both the youngsters and their parents

Jason Swearingen, our CEO and Chief Designer of Biology Battle posed for a quick shot before the show starts
